Product Packaging Change Notice

To whom it may concern,

This notice serves the purpose to inform you of a product packaging box change that will be effective beginning July 2nd, 2021 for Laennec Inj.

The change details are shown as follows:

Change Detail	Old	New
"OPEN" added for both 10amp and 50amp package		
Design added for 50amp package		

During this transitional period, some shipments of Laennec Inj. may contain a mixture of old and new packages.

Should you have any questions or concerns regarding this notice, please feel free to contact your Laennec Inj. representative or reach us at <http://jbpglobal.placenta.co.jp/contact/>
